JUNIOR FAIR DIVISION

PERRY COUNTY JUNIOR FAIR

GENERAL RULES, REGULATIONS AND POLICIES

1. All Perry County Fair health regulations and the Ohio Livestock Inspection and Health Regulations as listed elsewhere in this book, must be obeyed. The Official Fair Veterinarian will have the final decision regarding compliance.

2. No Junior Fair participant may exhibit in more than one Junior Fair unless they are a member of 4-H in one county and FFA in another. In this situation, they must exhibit different projects. Example: market beef in one county and market swine in another county.

3. Any youth that has been banned from exhibiting at another county, independent and/or State Fair can not exhibit at the Perry County Fair until their sentence has been served.

4. The same project (still and/or livestock) CAN NOT be entered for more than one youth organization.

5. All exhibitors must comply with all rules, regulations and policies established by the Perry County Fair Board. In case of doubt, check with the Perry County Fair Board Secretary, Perry County Fair Livestock Chairman, and/or the Perry County Extension Agent.

6. Exhibitors must Complete the electronic DUNF (Drug Use Notification Form) for each market animal PRIOR TO WEIGH-IN.

7. All exhibitors, spectators, and parents must limit comments to the judge. Only questions that seek constructive critique will be allowed. Any individual whose comments for the judge (before, during, or after the fair) that disputes the judge's decision or seeks to discredit the judge in any way may direct those questions to the department chairperson or other Fair Board member who then will address or contact the judge. The decision of the judge is final. No exhibitor shall engage in unsportsmanship like or disorderly conduct.

8. All exhibits shown at the Perry County Fair must be a bona fide project of the exhibitor for the current year.

9. To be eligible to exhibit, the exhibitor must not have passed his or her 19th birthday as of January 1 of the year exhibiting.

10. No entry fee will be charged for exhibit entries in the Junior Fair, but all exhibitors must purchase a Junior Fair Exhibitor Wrist Band.

11. ALL LIVESTOCK PROJECTS AND NON-4-H STILL PROJECTS MUST BE IN PLACE BY 8:00 P.M. SUNDAY, THE DAY PRIOR TO THE FAIR, UNLESS OTHERWISE STATED UNDER EACH DEPARTMENT HEADING.

12. **NON-SALE LIVESTOCK ANIMALS** will be released on Friday between 9pm and midnight; and Saturday between 6am and 9am. If they are not removed by 9am, they must remain until immediately after their portion of the livestock sale is completed. Any non-sale swine may leave the fairgrounds Thursday between 9pm-midnight. Horse projects will be released Friday between 9am and 6pm. All other exhibits must remain until 10am Sunday. Violation of this rule will result in forfeiture of any premiums won by the exhibitor and may cause to be banned from the fair.

a. Livestock exhibits properly entered in the Ohio State Fair may be released from the Perry County Fair 24 hour prior to arrival deadline at Ohio State Fair. Proof of entry to the State Fair that includes a parental signature must be made to the Fair Board Secretary who will notify the appropriate department chairpersons.

b. The Fairboard recommends the quarantine of any animal for 30 days after leaving the fairgrounds.

13. The same 4-H educational exhibit **CANNOT** be used from a previous year.

14. ALL Jr. Fair entries **MUST** be made online no later than July 1st. The link for submitting Jr. Fair entries will be emailed to enrolled 4-H members/advisors and FFA instructors. All

15. The number of entries per exhibitor will be limited to two entries per class unless stated otherwise under the department heading.

17. Each individual exhibitor shall show his or her own animal(s) in the show ring, unless he or she is unable to do so because of sickness, requirement to show two animals at one time, or because of an animal becoming unruly and unsafe for the individual to show it. Approval for additional reasons must be secured from the Senior Fair Board prior to the fair. In such circumstances, the exhibitor shall arrange for another Jr. fair member, currently exhibiting a livestock project in Perry County, to show the animal.
