THE RIGHT PATH.

Purpose

The purpose of the U-Turn program is to offer education and help to families that may be experiencing behavioral issues in their home.

Parents and Guardians are sometimes looking for additional support & resources to help curb behaviors in their children before it grows into a bigger problem in the future.

In certain instances, this program can be successfully completed in lieu of unruly or delinquent charges being filed against the child.

In collaboration with the Perry County Juvenile Court, Local Law Enforcement agencies and local mental / behavioral health agencies
