

Breast Cancer Candlelight Vigil

Light a Candle to Honor & Remember

You're a breast cancer survivor from the day you are diagnosed. We invite breast cancer survivors, their family and friends to join us as we celebrate the joy of life and survival. Join us on the steps of the Perry County Courthouse as we light candles in support of survivors and those battling breast cancer.

Post an inspirational message to survivors and those battling breast cancer on the Genesis Facebook page at facebook.com/Genesis-HealthCare-System.

To request a luminary in honor or memory of a special person, please call Chad Stoltz at (740) 454-4274

Thursday, Oct. 20
6:30 p.m.
